Dolch Sight Words "Common words read by sight"

Research shows that the 220 Dolch sight words make up about 50 - 75% children's story books. Therefore, the quicker children read these words, the better their comprehension. Children are taught to read these by sight, hence the name sight words. We slowly introduce sight words while continuously revising and revisiting the old ones.

Course Objectives:

- Teach children how to USE English
- Teaches children how to apply phonics and to sight read
- Accelerate learning
- Prepares for Primary 1, giving children a significant advantage

Course Features:

- Increase vocabulary
- Learn to speak in sentences, focusing on grammar sentence structure
- Use synthetic phonics to read and write
- Takes children through the stages of writing in a methodological manner
- Reading is aligned to international levels (Fountas & Pinnel, Reading Recovery, DRA)

Quality Assurance:

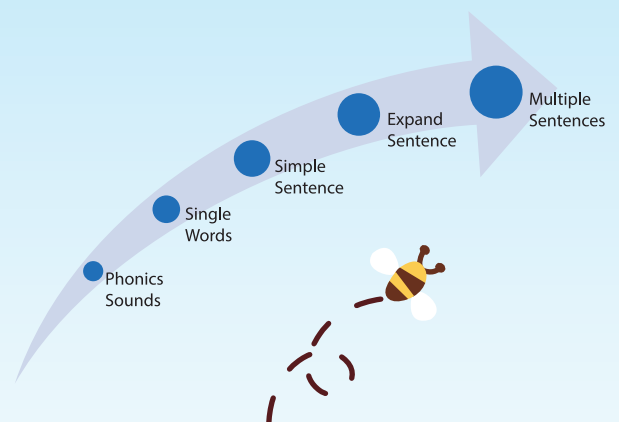

- Strong educational focus, structured curriculum
- Regular parent update
- Qualified, experienced, certified native English teachers
- Teachers trained by Oxford University Press to deliver Oxford courses
- Oxford course teachers supervised and monitored by Oxford University Press, receiving ongoing training and support

Dolch Sight Words “常見詞語 看字讀音”

研究指出, 約50-75% 的兒童故事書是由220個Dolch Sight Words常見詞語所組成。因此, 孩子愈早學會閱讀這些常見詞語, 對他們理解英語的能力愈有利。因為孩子閱讀時一眼就能辨認這些詞語, 所以名為「常見詞語」。孩子除了循序學習新的常見詞語外, 亦會同時不斷複習和重溫已認識的常見詞語。

課程目標:

- 教導孩子應用英語
- 教導孩子應用拼音和看字讀音的技巧
- 加快學習進程
- 在升讀小學前奠定穩固的基礎

課程特色:

- 加強詞彙
- 學習以完整的英文語句說話, 強調正確的句子結構
- 運用拼音法來閱讀和寫作
- 在各個寫作階段配合特定教材, 令孩子從中掌握寫作方法
- 閱讀程度符合國際水平 (Fountas & Pinnel, Reading Recovery, DRA)

質素保證:

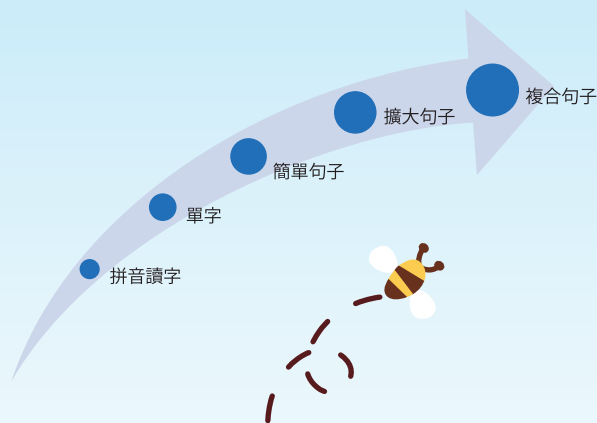

- 有系統和循序漸進的課程, 著重因材施教
